WORK EXPERIENCE

Santander Bank Poland   Jul. 2023 – Apr. 2024
Junior Business Analyst, Corporate Banking   *Wroclaw, Poland*

- Developed and maintained a key portfolio management application for corporate bankers, consisting of a few thousand lines of SQL code - the Early Warning System, which had a big impact on the KPIs.
- Implemented new functionalities, such as the auto recognition of publicly-traded companies in our portfolio and propagation of the flag to subsidiaries to ask for proper financial statements on correct dates. Prepared technical documentation in Markdown, MS SQL, and Excel. Rewrote part of the application to get rid of the technical debt, improve performance, migrate from MS SQL to Teradata, and fix key bugs.
- Worked mainly with SQL (MS SQL and Teradata), GitLab, and SSIS, but also had a chance to build a scraper in Python (BeautifulSoup), explore automation in Airflow, and structure of Power BI reports and ETL processes.

Bank Pekao   Jun. 2020 – Feb. 2023
Analyst, Investment Banking   *Warsaw, Poland*

- Prepared comprehensive financial, market and company analyzes in Excel and PowerPoint for over 50 banks and investment funds from all over Europe, Japan and South Korea.
- Developed highly detailed and aesthetically appealing information memorandums and took part in over 100 Q&A sessions in cooperation with one of the largest companies in Poland from 10 different sectors, thanks to which we have sold over PLN 1.2bn (ca. EUR 265.0m) of exposure during my period in Pekao.
- Took a significant part in building foundations, procedures, drafts, and the reputation of one of the first syndication teams in Poland with 2 other coworkers. Prepared instructions for testing 2 internal applications.

EDUCATION

University of Warsaw   Jul. 2021
MA, Financial Management and Accounting   *Warsaw, Poland*

- Summa Cum Laude, 4.82 grade on the diploma, 6th place amongst 446 students.

University of Warsaw / Universidade Portucalense   Jul. 2019
BA, Finance, Accounting, and Insurance   *Warsaw, Poland / Porto, Portugal*

- An average grade of 4.77 achieved in the 3rd year, Santander Universidades Scholarship.
- Attended Universidade Portucalense in Porto, Portugal as part of the Erasmus+ programme.
